*Hope is renewed.
We have had a breakthrough.
Our blood is up on pursuing this case.
Here's our chance to prove our mettle.*

PETIT PARISIEN

Vidocq engulfed in doubt.

The Parisiens are appalled by the lack of results of Vidocq and his crew. Have they met their match ?

The Sureté has arrested and interrogated several people, gaining petty clues.

However, this seems to have paid dividends.

A lead is in the works. Have Vidocq and his crew captured a suspect? Nothing is known about this man.

The investigation is under tight wraps, in order to hasten the arrest of the culprit, already on his fifteenth victim.

The rumor goes that it's a masked man wearing a top hat.

Can he be the devil ?

RETURN TO MENU

*All my contacts are hot.
My men all on alert.
Someone must have seen him. I can't convince myself otherwise !*

The clues point
to these boroughs.

X marks
the spot.

Pay attention Labruque !

A man with the reported description of Grimace
has been sighted several times in this area.
My latest infos suggest movements
in the derelict airship factory.

But Vidocq, That's the Wahlberg brothers factory,
left bare after last year's fire.

RETURN TO MENU

Our grip is tightening !

I hope your indicators are reliable Labruque !

And that we've got the right man.

We would not want to waltz in there
just to bother a few vagrants !

Let's go there right now. let's not waste
any time, let's establish a plan.

We need enough manpower to insure surrounding
the building and stand guard, while we inspect the area.
At the firts sign of something, we will raid the place.

Let's roll ...

Relax, Vidocq.
I've brought him
an early birthday cake!
I've seen worse than his ilk.

Stay frosty, Labruque.
I've no taste to scrape you back up
with a huge gap in your chest !

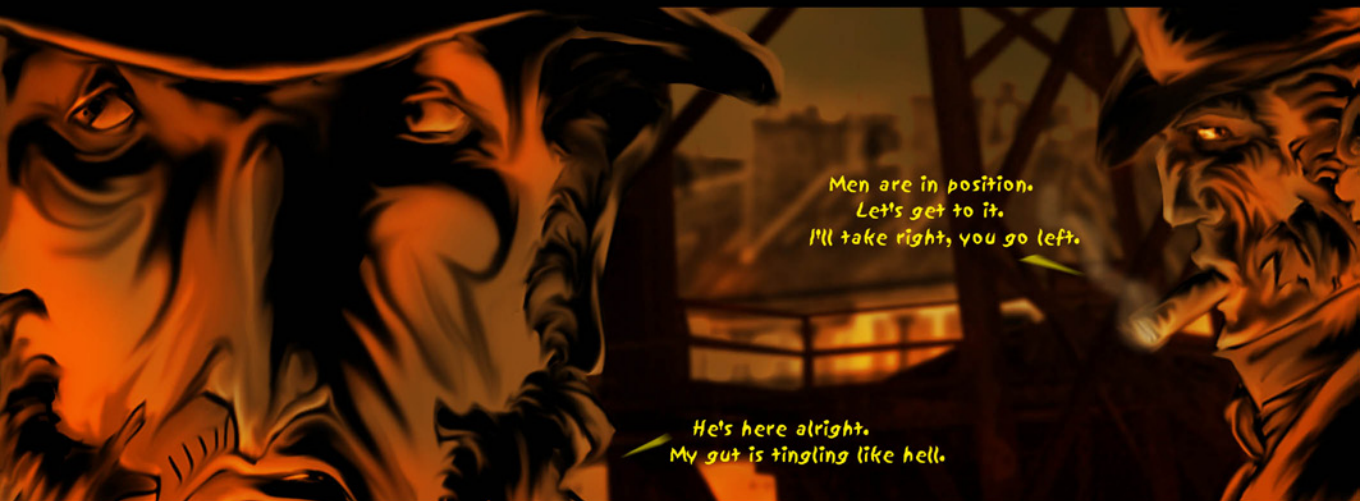

*I can feel him near ... watching us.
My instincts are always right.*

RETURN TO MENU

Men are in position.
Let's get to it.
I'll take right, you go left.

He's here alright.
My gut is tingling like hell.

What's happening ?

RETURN TO MENU

What's this ???

Looks like a machine ?

© pixatomic.fr - E.Di Ceglie 2008

I'll take care of Grimace.

Vidocq, you aim at that weird creature !

You've had that coming ...

RETURN TO MENU

What is happening to me ???

© pixatomic.fr - E.Di Ceglie 2008

He's tough one.

Labruque, watch out !!!

It's gonna blow right through me.

I'm not gonna make it.

It's too fast !

Boy do I have a present for you!

Are you crazy,
do you wanna get us killed ?

I just want to show him my resolve.
He'll know where it came from.

He's hightailing it out of here, the bastard !

Need not worry, you've not seen the end of me yet !
